SUMMARY

I am an aspiring Fullstack Developer that strives to work in IT field. I am passionate about informational technology and I am determined to learn more about it. I bring a distinctive perspective to coding challenges. My strengths include a deep focus on detail, thinking outside the box and a friendly demeanor. During my courses, I participated in creating projects that taught me to work in a team and put my programming skills to use.

[Frontend](#)

Team Lead

Kapusta [CSS, JavaScript, React, Redux, NodeJS, REST API]

Website app for managing finances.
[Frontend](#)
[Backend](#)

OTHER

I am interested in gaming and ornithology. I often relax by engaging in activities that require creativity, logical thinking and patience like doing jigsaw puzzles, arranging building blocks, drawing and creating embroidery.

I agree to the processing of personal data provided in this document for realising the recruitment process pursuant to the Personal Data Protection Act of 10 May 2018 (Journal of Laws 2018, item 1000) and in agreement with Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (General Data Protection Regulation).
